RELATIONAL POLICIES AND PRINCIPLES

At Reach South Academy Trust we believe that:

- Relationships are the foundation for us all to thrive in school.
- Mutual respect is the starting point for all agreements about how we all behave.
- Behaviour is a means of communication.
- We should work as a community to develop behaviours and responses to provide a positive and safe environment for everyone.
- All behaviours have natural consequences, and every member of our community is working towards taking accountability for their behaviour and what happens as a result.

All staff support all our pupils by:

- Being mindful and reflecting on the quality of our relationships with each other and them.
- Reflecting and being committed to continuously improve on the quality of our provision.
- Reflecting with parents and carers and other professionals so we are well-informed and have insight and understanding of pupils' individual needs.
- Reflecting and planning the "scaffolding" we put in place to support them to learn self-regulation skills.
- Observing, gathering and analysing data on emotional development and behaviour – to ensure our interventions are personalised, well informed and planned according to the needs of each individual within the context of their class or within particular lessons on and off site.
- Working in partnership with our pupils, their parents and carers, and other professionals working with them.
- Investing time and allowing safe spaces and opportunities for pupils to practice these skills and make mistakes from which they can learn, develop and grow.

The quality of our relationships with our pupils

These relationships are crucial. Each adult is a significant adult for our pupils. To foster successful, enabling relationships we need to:

- Actively build trust and rapport – which must be earned, not a given.
- Have high expectations for all pupils. When we demonstrate our belief in them, it supports them to succeed.
- Treat pupils with dignity and respect always by communicating carefully and clearly.
- Listen respectfully to the pupil and make a judgement about how/when to respond.
- Invest in relationships with the pupils and have fun together.
- Consider what might be behind the behaviour; why the pupil is behaving in this way. There will always be a reason, the behaviour is a symptom of something that we need to identify and understand.

- Keep our word – and if, for some reason, we are unable to honour a commitment to a pupil, to communicate clearly and honestly about why this has happened.
- Identify the strengths of the pupil – identify these with the pupil and build on it. If a pupil is not able to do this, advocate for the pupil within the team or professional group.
- Apologise if you make a mistake – you are modelling this for the pupil and this will support you to build trust and respect.
- Name and manage your own emotional reactions to pupils’ reactions/behaviour, i.e., demonstrate emotionally intelligent behaviour at all times. Seek help if you are finding it difficult to manage your feelings about a pupil.
- Resolve difficult feelings about pupils’ behaviour – it is unhelpful history, focus instead on getting it right in the future.
- Quietly but firmly hold appropriate boundaries for the pupils.
- Seek support from wider professional networks to problem-solve behaviour that challenges.
- Be respectful to pupils, we do not talk about them over their heads or in front of other pupils.
- Be non-judgemental about pupils’ life experiences.
- Reflect and plan with parents to ensure consistency in approaches between home and school. If any form of restraint/ seclusion had to be used to keep a pupil safe during their school day this needs to be shared with parents or carers.
- Understand that touch is an essential element of Attachment and Trauma approach. Appropriate touch promotes a child’s social and emotional development and is a highly effective and powerful method of non-verbal communication and a key to the development of healthy relationships. Touch must be child centred not staff centred.
- Holding may be used appropriately, by this we mean providing physical direction in a more directive nature (using TeamTeach/ MAPA practices).

Our aims, we believe, are achieved when we have:

- Created and maintained a positive, safe school climate where effective learning can take place and all pupils can grow socially, emotionally and academically, with mutual respect across the school community, for belongings and the school environment.
- Provided a nurturing environment to foster appropriate behaviour.
- Promoted self-awareness, self-control and acceptance of responsibility for actions.
- Used a range of appropriate approaches such as PACE (Dan Hughes) Trauma Informed Restorative approaches and Rights Respecting in their interactions with pupils.
- Made interventions specific to pupils’ needs.
- High expectations and always maintained boundaries.
- Provided excellent role models.
- Created a school atmosphere which is consistent safe and caring.
- Understood that all behaviour choices have natural consequences, which are applied consistently and fairly within the school in a calm and considerate manner.

1. Aims

1.1 This is the Behaviour Policy of **Reach South Academy Trust**.

1.2 The aims of this policy are as follows:

- To provide a safe, happy, friendly and respectful environment which encourages each individual to achieve their own potential through a desire for excellence, using challenging, active and creative personalised learning.
- To enable staff to support children with their feelings and behaviour through providing students with strategies to manage their own feelings and behaviour.
- To maintain a calm and purposeful working atmosphere.
- To ensure that all children and adults have a sense of belonging, feeling safe, secure and valued.
- To provide a clear, fair and consistent approach to behaviour.
- To foster, nurture and value strong and healthy relationships.
- To ensure that our children are intrinsically motivated to do the right thing because it is the right thing to do.
- To create a calm, safe and supportive environment free from disruption in which pupil can thrive and flourish both in and out of the classroom and reach their full potential;
- To create, promote and maintain high expectations of positive behaviour amongst pupils through a whole school approach to behaviour
- To actively promote and safeguard the welfare of pupils at the Academy and to protect all who come into contact with the Academy from harm;
- To ensure, so far as possible, that every pupil in the Academy is able to benefit from and make their full contribution to the life of the Academy, consistent always with the needs of the Academy's community;
- To set out a clear and fair process for the proper investigations of allegations of poor behaviour and / or breaches of discipline;
- To encourage pupils to accept responsibility for their behaviour;
- To consider how negative behaviours can be prevented or prevented from recurring;
- To enable staff to respond to incidents of misbehaviour promptly, predictably and with confidence;
- To set out the consequences available to the Academy in the event of pupil misbehaviour
- To help promote a whole school culture of safety, equality, inclusion and protection.

Stoke Damerel Primary Academy School Aims:

- To ensure that all members of the school community clearly understand what is expected of them
- To foster a climate of mutual respect and personal responsibility
- To set high expectations for the level of behaviour children are asked to display
- To set clearly understandable rewards and sanctions to encourage positive behaviour
- To ensure that rules, rewards and sanctions are applied equally

- To ensure that children understand that they are accountable for their actions
- To ensure that all children at Stoke Damerel Primary Academy behave to the highest individual standards possible

1.3 Values & Beliefs: *What do we want for our school community?*

- Our ethos is based around inclusive and compassionate principles, which are beneficial to the well-being of all children.
- All children wish to belong, achieve and contribute to their school, family and community. Child centred approaches, where their voices are central and where plans utilise their strengths, resources and qualities are integral to success.
- High levels of nurture and empathy, with containment and structure, support children to feel safe. Children need clear boundaries, predictable routines, expectations and regulated responses to behaviour.
- Natural consequences that can follow certain behaviours should be made explicit, without the need to enforce a 'sanction' that can shame and ostracize children from their peers, school community and family, leading to potentially more negative behaviour. Responses to behaviour should ensure that children feel safe and that all needs are met.
- Behaviour is often a form of communication and the expression of underlying needs. It is not possible to support a child's behaviour without addressing these needs.
- Children need personalised responses to supporting their personal development and well-being. Consistency does not mean always responding in the same way to each child or behaviour, it means responding in a way which is consistent to our values and beliefs. Whilst each individual child benefits from a consistent approach, being consistent and fair is not about everyone getting the same, but everyone getting what they need.
- Relational, regulatory and restorative approaches are more effective in supporting the development of internal control and regulation. Not all behaviours are a matter of choice and therefore external control will not be effective in changing behaviour.
- Punitive approaches and exclusion may re-traumatise children and further embed the behaviours causing concern. Theory and research on attachment, neuroscience and adverse childhood experiences advocate the use of relational and restorative approaches rather than those that are behaviourist and punitive.
- At Stoke Damerel Primary Academy School we are always thinking 'all behaviour is communication' and we ask ourselves 'what is the child trying to communicate?' We realise that sometimes this can be different for every child who has their own packet of needs so may look different in each individual case.
- Being 'fair' is not about everyone getting the same (equality) but about everyone getting what they need (equity).

- 1.4 This policy forms part of the Academy's whole school approach to promoting child safeguarding and wellbeing, which seeks to involve everyone at the Academy to ensure that the best interests of pupils underpins and is at the heart of all decisions, systems, processes and policies.
- 1.5 Although this policy is necessarily detailed, it is important to the Academy that our policies and procedures are transparent, clear and easy to understand for staff, pupils, parents and carers. The Academy welcomes feedback on how we can continue to improve our policies.

6. Responsibility Statement and Allocation of Tasks

6.1 The Proprietor has overall responsibility for all matters which are the subject of this policy.

6.2 The Proprietor is aware of its duties under the Equality Act 2010 and the requirement under S.149 of the Equality Act 2010 to meet the Public Sector Equality Duty. This means in carrying out its functions, the Proprietor is required to have due regard to the need to:

- eliminate discrimination and other conduct that is prohibited by the Act;
- advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- foster good relations across all characteristics - between people who share a protected characteristic and people who do not share it.

6.3 Any consequence imposed on a pupil will be legal and proportionate. The consequence will be reasonable in all the circumstances and account will be taken of the pupil's age, any special educational needs or disability they may have, and any religious requirements affecting them.

6.4 In discharging of its responsibilities under this policy, the Proprietor expects school leaders and staff to undertake the following roles:

6.5 School leaders will:

- Be highly visible, routinely engage with pupils, parents and staff on setting and maintaining the behaviour culture and an environment where everyone feels safe and supported;

- Play a crucial role in making sure all staff understand behavioural expectations and the importance of maintaining them;
- Make sure all new staff are inducted clearly into the School's behaviour culture to ensure they understand its rules and routines and how best to support all pupils to participate in creating the culture of the school;
- Consider any appropriate training which is required for staff to meet their duties and functions within the Behaviour Policy;
- Ensure staff have adequate training on matters such as: how certain special educational needs, disabilities or mental health needs may at time affect a pupils' behaviour;
- Encourage engagement with experts e.g. educational psychologists, counsellors and mental health support teams to inform effective implementation and design of behaviour policies and this links to the whole school approach to mental health and wellbeing.

6.6 School staff will:

- play an important role in developing calm and safe environment for pupils and establish clear boundaries of acceptable pupil behaviour;
- uphold the whole school approach to behaviour by teaching and modelling expected behaviour and positive relationships; as defined in this policy, so pupils can see examples of good habits and confident to ask for help when needed;
- challenge pupils to meet the school expectations and maintain boundaries of acceptable conducts;
- communicate school expectations, routines, values and standards (set out in [Appendix 1](#)) both explicitly through teaching behaviour and in every interaction with pupils;
- consider the impact of their own behaviour on school culture and how they can uphold the school rules and expectations in addition to those set out in the staff code of conduct

6.7 In order to achieve this, the Proprietor has allocated the following tasks:

Overall responsibility for content and implementation	Proprietor	As a minimum annually.

7. Promoting High Expectations of Good Behaviour

7.1 Pupils are educated about good behaviour through the operation of the Academy's

curriculum, PSHE, relationships education/relationships and sex education programmes and the Academy's pastoral support systems. Pupils are encouraged to act responsibly and, through the operation of this policy, to accept responsibility for their behaviour. This includes teaching pupils explicitly what good behaviour looks like (for example, through the teaching of good habits and routines). Illustrative of the ways in which the Academy teaches the behaviour curriculum are set out in [Appendix 1](#). This will also include induction to school systems and routines on joining the Academy and re-induction after removal from the classroom, time spent at off-site provision or in Pupil Support Units and following suspension.

7.2 The Academy understands that rewards can be the most effective means of motivating pupils. The ways in which the Academy may reward good behaviour are set out in [Appendix 3](#).

7.3 The Academy recognises that where challenging behaviour is related to a pupil's disability, use of positive discipline and reward methods may enable the Academy to manage the pupil's behaviour more effectively and improve their educational outcomes.

7.4 Where appropriate, staff should also take account of any contributing factors that are identified after a behaviour incident has occurred e.g. if the pupil has suffered a bereavement, experienced abuse or neglect, has mental health needs, has been subject to bullying, has needs including SEND (including any not previously identified), has been subject to criminal exploitation, has suffered early trauma and/or ACES, or is experiencing significant challenges at home.

8. Responding to Unacceptable Behaviour

8.1 When a member of school staff becomes aware of misbehaviour, they should respond in a consistent, fair, proportionate and timely manner in accordance with the Academy's behaviour procedures.

8.2 The first priority will be to ensure the safety of pupils and de-escalation techniques can be used to prevent further behaviour issues arising.

- 8.3 The Academy recognises that taking disciplinary action and providing appropriate support are not mutually exclusive actions. They can and should be used at the same time if necessary.

9. Minor Breaches of Discipline / This Policy

- 9.1 The Academy adopts a culture of openness and transparency and, where there are any concerns regarding breaches of discipline, contact should be made with the Academy at the earliest opportunity. All concerns are taken seriously including scenarios where suspicions or breaches of discipline appear minor.
- 9.2 The Academy has pastoral support systems in place to assist pupils in managing their behaviour. A range of consequences are available for those who breach the Academy's policies on behaviour.
- 9.3 The decision to issue a consequence and the consequence itself must be made on the Academy's premises or whilst the pupil is under the charge of the relevant member of staff.
- 9.4 Allegations, complaints or rumours of minor breaches of discipline are dealt with by staff as they occur. Staff may carry out informal investigations and / or interviews with the pupils involved. Low level consequences may be given following such processes (see Appendix 3 for details of possible consequences).
- 9.5 A minor breach of discipline may be referred to a senior member of staff and external agencies (where appropriate) prior to, during or following an informal investigation.
- 9.6 When considering the appropriate consequence, the risks posed to pupil welfare by an individual's behaviour will be assessed. This may include consideration of how any action taken, consequences applied or inaction may affect that individual's welfare and, where appropriate, how it may affect other pupils' welfare and / or the Academy's community as a whole.

10. Serious and / or Persistent Breaches of Discipline / This Policy

- 10.1 Allegations, complaints or rumours of serious and / or persistent breaches of discipline should be referred to the Headteacher.
- 10.2 The decision to issue a consequence and the consequence itself must be made on the Academy's premises or whilst the pupil is under the charge of the relevant member of staff.
- 10.3 The main categories of misconduct which are likely to be considered to be serious breaches of discipline include, but are not limited to:
- supply which means providing or sharing (whether or not for money or other consideration) or facilitation of supply e.g. sale, exchange or sharing (which includes promotion / advertisement or facilitating supply) / possession / use of drugs and solvents or their paraphernalia or substances intended to resemble them, or alcohol or tobacco as prohibited by the school policy on smoking, drugs and substances;

- actual or attempted theft, blackmail, intimidation, cyber-based bullying or prejudice based bullying, discriminatory based bullying or other potentially criminal offences including being an accessory or conspirator;
- physical violence and / or abuse (which may include but is not limited to hitting, kicking, shaking, biting and hair pulling)
- physical or emotional abuse or harassment (to include behaviour that may be categorised as "banter", "just having a laugh", "part of growing up" or "boys being boys");
- initiation / hazing type violence and rituals (which may include but is not limited to activities involving harassment, abuse or humiliation used as a way of initiating a person into a group);
- abuse in intimate personal relationships between child/young people (Child on Child abuse);
- sexual violence, sexual harassment and upskirting and other harmful / inappropriate sexual behaviour;
- consensual and non-consensual sharing of nudes and semi-nude images and / or videos;
- behaviour in contravention of the Academy's policies on the acceptable use of technologies or online safety;
- supply or possession of pornography;
- behaviour which may constitute a criminal offence, such as:
 - possession or use of firearms, knives or other weapons;
 - vandalism, defacement and / or destruction of school property
- persistent breaches of discipline or attitudes or behaviour which are inconsistent with the Academy's ethos;
- other misconduct which affects the welfare of a member or members of the Academy's community or which brings the Academy into disrepute (single or repeated episodes) on or off the Academy's premises;
- other misconduct specifically provided for in the Academy's various policies on behaviour.

10.4 The Academy aims to operate within the principles of fairness and 'natural justice'. A decision to exclude a pupil permanently will only be taken:

- in response to a serious breach and / or persistent breaches of the Academy's Behaviour Procedures; and
- where allowing the pupil to remain in school would seriously harm the education and / or welfare of the pupil and / or others such as staff or pupils in the school.

10.5 An allegation, complaint or rumour of a serious breach of discipline will be investigated in accordance with the procedures set out in Appendix 4.

10.6 Complainants will be taken seriously and the Academy will carefully discharge its duty of care to both complainants and those pupil(s) accused. Reporting concerns is encouraged by the Academy. A complainant is not creating a problem by reporting an allegation, complaint or rumour and should not feel ashamed or embarrassed for making a report.

- 10.7 If the findings of the investigation, on the balance of probabilities, support the allegation, complaint or rumour of a serious breach of discipline, a disciplinary meeting may be held in accordance with the procedures set out in Appendix 4.
- 10.8 Appendix 3 Appendix 1 sets out a non-exhaustive list of possible consequences which may be imposed for serious and / or persistent breaches of discipline / this policy.

11. Suspected Criminal Behaviour

- 11.1 Before investigating a behaviour incident, the Academy will consider whether a criminal offence may have been committed and should be reported to the Police.
- 11.2 The Academy will carry out the minimum investigation required to be able to establish this, and before making a decision, will consider its duty to safeguard the pupils of the Academy (including any victims or alleged perpetrators) by assessing and balancing the risk of reporting the matter to the Police on the mental health and wellbeing of the pupil and others, as well as the risk of not making a report to the Police.
- 11.3 Where a report is made to the Police, the Academy will not act in a way which could prejudice a criminal investigation, or tip off anyone who may be involved. The Academy will keep in mind that any records created (including witness statements) may be requested by the Police, Crown Prosecution or Defence Solicitors for use within criminal proceedings, with disclosure to other parties.
- 11.4 Depending on the individual circumstances of the case, and usually having liaised with the Police, the Academy may decide to continue its investigation and impose consequences.
- 11.5 The Academy will follow its safeguarding and child protection policy and procedures at all times, and when making a report to the Police it may also be appropriate to make a report to Children's Social Care Services, usually led by the DSL.

12. Removal from the Classroom

- 12.1 This section must be read alongside Appendix 2 below.
- 12.2 The Academy will only remove a pupil from the classroom for serious disciplinary reasons, as a formal consequence under this policy. Removal from the classroom is different to the use of separate spaces (for example, sensory/nurture rooms used for non-disciplinary reasons to meet a pupil's needs).
- 12.3 Removal from the classroom will only happen for the following reasons:
- to maintain the safety of all pupils and to restore stability following an unreasonably high level of disruption;

- to enable disruptive pupils to be taken to a place where education can be continued in a managed environment; and
- to allow the pupil to regain calm in a safe space.

12.4 The Academy will consider whether removal from the classroom is proportionate and will take into account the circumstances of each individual case, with parents being notified on the day.

12.5 The Academy will provide any pupil who is removed from the classroom continuous meaningful education during any period of removal.

12.6 The Headteacher or member of SLT (Senior Leadership Team) will maintain overall strategic oversight of the use of removal from the classroom.

13. Intervention, Support and Reintegration

13.1 The Academy will, as far as practicable, adopt a range of initial intervention strategies to help pupils manage their behaviour and reduce the likelihood of suspension and permanent exclusion. The Academy has a system in place to ensure leaders are aware of pupils whose behaviour is a cause for concern.

13.2 The range of intervention strategies that the Academy will put in place include as appropriate, include for example, but are not limited to:

- frequent and open engagement with parents, including home visits if deemed necessary;
- providing mentoring and coaching;
- short-term behaviour report cards or longer-term behaviour plans;
- Pupil Support Units; and
- engaging with local partners and agencies to address specific challenges such as poor anger management, a lack of resilience and difficulties with peer relationships and social skills.

13.3 Where the Academy has serious concerns about a pupil's behaviour it will consider appropriate interventions, including but not limited to, whether an assessment of a pupil's SEND is appropriate; where a pupil has an Education, Care and Health Plan, whether an emergency review is appropriate and/or whether a multi-agency assessment is appropriate.

13.4 The Academy has a Pupil Support Unit (Bird's Nest) where planned interventions take place in place of mainstream lessons for some individuals. The PSU is used for planned interventions for behavioural and pastoral reasons.

13.5 Following any incident requiring consequence, the Academy will consider appropriate strategies to help the pupil(s) involved understand how to improve their behaviour and meet the behaviour expectations of the Academy. As far as reasonably practicable, this support will be delivered by appropriately trained designated staff.

13.6 The Academy will consider and apply appropriate strategies for the reintegration of a pupil following removal from the classroom, time at a Pupil Support Unit, time at an alternative site under an off-site direction or suspension.

14. The Role of Parents

14.1 The Academy seeks to work in partnership with Parents over matters of discipline and helping schools develop and maintain good behaviour, and it is part of the Parents' obligations to the Academy to support the Academy's policies on behaviour.

14.2 The Academy recognises that communication the Academy policy to all members of the school community, including parents, is an important way of building and maintaining the Academy's culture.

14.3 Where a parent has a concern about the management of behaviour, they should raise this directly with the Academy whilst continuing to work in partnership with them.

14.4 Parents will normally be informed as soon as reasonably practicable of any suspicion that their child has been involved in serious misconduct, but may be prevented from doing so immediately e.g. by the police if they are involved.

14.5 Parents will be notified of any pending disciplinary action in accordance with paragraph 9.4.

14.6 Parents will also be notified of disciplinary consequences:

- imposed for significant minor breaches of discipline (persistent minor breaches such as demerits / detention); and
- those imposed for serious breaches of discipline and any rights of review as required and / or within school reports.

14.7 Parents will be consulted about the child's conduct and the application of this policy to their child where the Academy considers, in its professional judgement, that these give rise to a significant concern about pupil welfare.

14.8 Whenever the Headteacher excludes a pupil they must, without delay, notify parents of the period of the exclusion and the reason(s) for it, in accordance with section 51A Education Act 2002 and the statutory Suspension and Permanent Exclusion Guidance.

15. The Role of Pupils

15.1 Every pupil will be made aware of the school behaviour standards, expectations, pastoral support and the school's approach to a failure to meet required standards consequence processes. Pupils will be taught they have a duty to follow the school Behaviour Policy and uphold the school rules and should contribute to the school culture.

- 15.2 Pupils should be asked about their experience of behaviour and asked to provide feedback on the school's behaviour culture. Every pupil will be supported to achieve the behaviour standards, including an induction process that familiarise them with the school behaviour culture.

16. Additional Needs

- 16.1 Where the Academy has concerns about the behaviour, or risk of exclusion, of a child with additional needs, a pupil with an EHC plan or a looked after child, it should, in partnership with others (including the local authority where required), consider what additional support or alternative provision may be required. This should involve assessing the suitability of provision for a pupil's SEN or disability. Where a pupil has an EHC plan, the Academy should consider requesting an early annual review or interim / emergency review.
- 16.2 The Academy will, as far as possible, to anticipate likely triggers of misbehaviour and put in place support to prevent these. Any preventative measure should take into account the specific circumstances and requirements of the pupil concerned.
- 16.3 The Headteacher and proprietor must comply with their statutory duties in relation to SEN and disability and the Equality Act when administering the exclusion process. This includes having regard to the SEND Code of Practice.
- 16.4 Whilst an exclusion may still be an appropriate consequence, the Headteacher should take account of any contributing factors that are identified after an incident of poor behaviour has occurred. For example, where it comes to light that the pupil has suffered bereavement, has mental health issues or has been subject to bullying.
- 16.5 The Academy will make reasonable adjustments for managing behaviour which is related to a pupil's disability. Staff should seek advice from the Headteacher if they are unsure about how to manage a pupil's behaviour where this is related to a disability.
- 16.6 If there is a concern that a pupil's behaviour is as a result of unmet educational or other needs, advice should be sought from the Headteacher/SENDCO and further action in accordance with the Academy's Special Educational Needs and Disability policy will be considered.
- 16.7 Where a suspension or permanent exclusion is being considered, the Academy will ensure that a pupil with a disability or special educational needs is able to present their case fully where their disability or special educational needs might hinder this.

17. Safeguarding and child-on-child abuse

- 17.1 Some behaviour by a pupil towards another may be of such a nature that safeguarding concerns are raised. The Academy will adopt a zero-tolerance approach to abuse to prevent harm to pupils.

Safeguarding issues can manifest themselves via child-on-child abuse. This includes, but is not limited to:

- bullying (including cyber-bullying prejudiced-based and discriminatory-based bullying);
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm (which may include an online element which facilitates, threatens and / or encourages physical abuse);
- sexual violence and / or sexual harassment;
- causing somebody to engage in sexual activity without consent
- upskirting and / or attempts to commit upskirting;
- consensual and non-consensual sharing nudes and semi-nudes and or videos (also known as sexting or youth produced sexual imagery); and
- initiation / hazing type violence and rituals (which may include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group and may also include an online element).

17.2 Child-on-child abuse can occur both inside and outside of the Academy and may be taking place whilst not being reported. A one size fits all approach is not appropriate for all pupils, and a contextualised approach for more vulnerable pupils, victims of abuse and pupils with special educational needs and disabilities may be required. Certain behaviours, for example dismissing sexual harassment as "just banter", "just having a laugh", "part of growing up" or "boys being boys" can lead to a culture of unacceptable behaviours and create an unsafe environment for pupils. In worst case scenarios, dismissing sexual harassment can lead to a culture that normalises abuse and pupils accepting it as normal and not coming forward to report it.

17.3 Technology is a significant component in many safeguarding and wellbeing issues. Pupils are at risk of abuse online as well as face to face. This can take the form of abusive, harassing, and misogynistic messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography.

17.4 In line with the Academy's aims and culture of openness and encouragement to report, the Academy's policy and procedures with regard to child-on-child abuse are

set out in the Academy's Safeguarding and child protection policy and procedures

and child-on-child abuse policy. If behaviour matters give rise to a safeguarding concern, either in relation to the alleged victim(s) or perpetrator(s) or, more widely, in relation to ensuring the safety and welfare of pupils and / or staff, the DSL (or a deputy) should take a leading role in decision making and the procedures in the Safeguarding and child protection policy and procedures will take priority.

18. Malicious Allegations

- 18.1 Where a pupil makes an allegation which is determined to be unsubstantiated, unfounded, false or malicious, the DSL will consider whether the pupil needs help or may have been abused by someone else and this is a cry for help. A referral to external agencies may be appropriate in these circumstances. The Headteacher will also consider whether to take disciplinary action against the pupil in accordance with this policy.
- 18.2 Where such an allegation is made, appropriate support will be provided to the member(s) of staff affected.
- 18.3 The Academy will consider a malicious allegation to be one where there is sufficient evidence on the balance of probabilities to disprove the allegation and that, by the same test there is sufficient evidence that there has been a deliberate act to deceive.

19. Use of Reasonable Force

- 19.1 Corporal punishment is not used at the Academy and force must never be used as any form of consequence.
- 19.2 Any use of force by staff will be reasonable, proportionate and lawful. Reasonable force will be used as set out in Appendix 5 and the Academy's Use of reasonable force and physical restraint policy. More detailed guidance about the use of reasonable force is provided to staff in the Staff code of conduct.

20. Searching Pupils

- 20.1 Academy staff may search a pupil and their possessions for any item if the pupil agrees. The member of staff must ensure the pupil understands the reasons for the search and how it will be conducted, so that their agreement is informed. Appropriate consideration will be given to the age and needs of pupils being searched and the factors that may influence the pupil's ability to agree⁶.
- 20.2 The Academy will follow its safeguarding and child protection policy and procedures at all times if a safeguarding concern arising as a result of any actions connected with a search of a pupil.
- 20.3 If a pupil is not willing to co-operate with the search, the Academy will consider why this is. If a search is necessary but not required urgently, the staff member will seek advice from the DSL, Headteacher or appropriate member of pastoral staff.
- 20.4 If a pupil refuses to co-operate with a search, the Headteacher, and staff authorised by the Headteacher, may use reasonable force to search a pupils' possessions. Where they have reasonable grounds for suspecting that a pupil has an item prohibited by law in their possession (see Appendix 5 for further details in this respect). Reasonable force cannot be used to search for items that are banned by the Academy.

- 20.5 If a pupil continues to refuse to co-operate, their behaviours may be addressed in line with the Academy's behaviour procedures where this appropriate, in a consistent, fair and proportionate way.

21. Staff Training

- 21.1 The Academy ensures that regular guidance and training is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles. This includes:
- how staff can support pupils in meeting high standards of behaviour
 - how staff can ensure that this policy and consequences is applied in a way that is consistent, fair, proportionate and predictable way
 - where applicable to reflect the need of particular pupils.
- 21.2 The level and frequency of training depends on the role of the individual member of staff.
- 21.3 The Academy maintains written records of all staff training.

22. Risk Assessment

- 22.1 Where a concern about a pupil's welfare is identified, the risks to that pupil's welfare will be assessed and appropriate action will be taken to reduce the risks identified.
- 22.2 The format of risk assessment may vary and may be included as part of the Academy's overall response to a welfare issue, including the use of individual pupil welfare plans (including Education, Health and Care Plans, behaviour plans, as appropriate). Regardless of the form used, the Academy's approach to promoting pupil welfare will be systematic and pupil focused.
- 22.3 The Headteacher (Annie Blackie) has overall responsibility for ensuring that matters which affect pupil welfare are adequately risk assessed and for ensuring that the relevant findings are implemented, monitored and evaluated as required.
- 22.4 Day to day responsibility to carry out risk assessments under this policy will be delegated to Annie Blackie and Kayley Smith who have been properly trained in, and tasked with, carrying out the particular assessment.

23. Record Keeping

- 23.1 All records created in accordance with this policy are managed in accordance with Academy policies that apply to the retention and destruction of records.
- 23.2 The Academy will establish and maintain a strong and effective system for data recording including all parts of behaviour culture that is collected from a range of sources and that is regularly objectively analysed and monitored by appropriate skilled staff.
- 23.3 The Academy will keep a separate record for allegations and concerns reported in respect of:
- sexual harassment or sexual violence;
 - bullying, discriminatory and prejudiced behaviour, either directly or indirectly, including racist, sexist, disability and homophobic / bi-phobic / transphobic bullying, use of derogatory language and racist incidents.
- 23.4 The Academy will keep a record of any search by a member of staff for a 'prohibited item' and all searches conducted by police officers. This will be recorded in the academy's safeguarding reporting system.
- 23.5 The Academy will keep a separate record of consequences imposed for serious misbehaviour. The record will include:
- the name and year group of the pupil concerned;
 - the nature and date of the offence;
 - the consequence imposed and reason for it; and
 - the name of the person imposing the consequence
 - identifying whether these are relating to boarding.
- 23.6 This record will be reviewed regularly by the Headteacher, Deputy and SENDCO so that patterns in behaviour can be identified and managed appropriately. This will also help if / when responding to any complaints about the way a case has been handled by the Academy.
- 23.7 This record will be reviewed by the Proprietor in order to evaluate all data recorded in order to meet its obligations under this policy and, in particular, establish any trends (for example, in respect of particular socio-economical groups, or groups with a protected characteristic).
- 23.8 The records created in accordance with this policy may contain personal data. The Academy's use of this personal data will be in accordance with data protection law. The Academy has published on its website privacy notices which explain how the Academy will use personal data.

STOKE DAMEREL PRIMARY ACADEMY

Behaviour Procedures

Last reviewed: November 2024

INTRODUCTION

At Stoke Damerel Primary Academy, we expect all members of our learning community to conduct themselves with the highest standards of behaviour, however we understand that sometimes all members of the community may not reach the standards which we would want them to. This procedure document outlines the basic principles of behaviour we expect all members of the academy to adhere to and outlines the rewards available for those who demonstrate positive behaviour and the sanctions which will be applied to those who fail to meet the expectations. More specific behaviours such as bullying are covered in separate policies, but sanctions applied may fall within the measures outlined here.

This document is applied in conjunction with the Reach South Academy Trust Behaviour Policy.

POLICY RATIONALE

The intention of this document is to support learners in developing good behaviour and understanding why it is important. It intends to ensure that children who maintain the high standards which are expected of them are rewarded, and that those who fail to maintain those standards are supported so that they are able to demonstrate better behaviour.

Behaviour procedure AIMS

- To ensure that all members of the academy community clearly understand what is expected of them
- To foster a climate of mutual respect and personal responsibility
- To set high expectations for the level of behaviour children are asked to display
- To set clearly understandable rewards and sanctions to encourage positive behaviour
- To ensure that rules, rewards and sanctions are applied equally (Individualised systems are developed to support children with additional needs)
- To ensure that children understand that they are accountable for their actions
- To ensure that all children at Stoke Damerel Primary Academy behave to the highest individual standards possible

Behaviour procedure OBJECTIVES

- To create a safe, happy and positive environment which enables children to be a happy, sociable part of the community
- To maintain purposeful and positive teaching and learning environment
- To produce clarity of expectation and consequences
- For children and young people to be self-aware of their responsibilities

IMPLEMENTATION

It is recognised that the quality of learning experiences in the classroom will have an impact on behaviour. High expectations from staff delivering a curriculum matched to children's varying needs will help to motivate pupils promoting self-esteem and confidence, leading to order and self-discipline. It is also recognised that external

influences on children must be taken into account and related to the expectations of the academy. The development of good relationships with parents will assist in the encouragement of support and understanding.

Finally, it is important to reward those who behave well. Most children respond well to praise and there is something worthy of praise in all children. However, it is important that children accept responsibility for their own actions through a clearly defined code of conduct understood by all.

IN ALL DISCIPLINARY ACTIONS IT IS ESSENTIAL THE CHILD KNOWS THAT IT IS THE BEHAVIOUR WHICH IS UNACCEPTABLE, NOT THE CHILD AS A PERSON.

Scope of the Procedure

This procedure applies to all children taught at Stoke Damerel Primary Academy and will be applied fairly, without discrimination, to all pupils (taking into account individual circumstances). The academy applies this procedure to any situation where pupils are within academy grounds, representing the academy (on sporting activities, trips or extracurricular activities) or where they could be seen as representatives of the academy (anywhere where they are wearing the academy's uniform).

This is in line with DfE guidance 'Behaviour in schools: Advice for headteachers and school staff' (DfE – October 2022) which states that:

Schools have the power to sanction pupils for misbehaviour outside of the school premises to such an extent as is reasonable.

Maintained schools and academies' behaviour policies should set out what the school will do in response to non-criminal poor behaviour and bullying which occurs off the school premises or online and which is witnessed by a staff member or reported to the school, including the sanctions that will be imposed on pupils (see paragraphs 124 – 126 on suspected criminal behaviour). Schools should collaborate with local authorities to promote good behaviour on school transport.

Conduct outside the school premises, including online conduct, that schools might sanction pupils for include misbehaviour:

- when taking part in any school-organised or school-related activity;
- when travelling to or from school;
- when wearing school uniform;
- when in some other way identifiable as a pupil at the school;
- that could have repercussions for the orderly running of the school;
- that poses a threat to another pupil; or
- that could adversely affect the reputation of the school.

The decision to sanction a pupil will be lawful if it is made on the school premises or elsewhere at a time when the pupil is under the control or charge of a member of staff of the school.

ROLES AND RESPONSIBILITIES

PUPILS

Pupils are expected to show high standards of behaviour at all times. They will be taught to have high expectations of their own and others' behaviour and to take responsibility for their actions. We aim to foster resilience and self-reliance within our children to ensure they develop a strong moral compass. Because of this we have clear guidelines and high expectations of our children which build as the children grow older and more mature.

PARENTS

By sending their children to Stoke Damerel Primary Academy, parents show that they have accepted the behaviour structures of the academy. Parents are expected to support the academy in upholding good behaviour and high expectations and, if they do disagree with the way in which the procedure has been implemented, to follow the correct procedures to have their views considered. This procedure will be shared with parents and carers and will be available to view on the academy's website. This will be issued on their child's admission to the academy and re-issued whenever the procedure is updated. Staff welcome early contact if parents have a concern about their child's behaviour or fear that they are being upset by others. If parents and academy work together we believe that the discipline and behaviour of pupils will be maintained and respected by all.

Parents can help in the following ways:

- By ensuring that pupils arrive punctually for the start of the academy's day.
- By ensuring that pupils have appropriate dress for school, outdoor activities and PE so as to take a full part in all academy activities.
- By supporting the academy in our procedure that all pupils are expected to behave in a responsible manner, both towards themselves and others, showing consideration, courtesy and respect for other people at all times.
- By ensuring that pupils show a proper regard for other people's property, buildings and the environment.
- By ensuring regular attendance at the academy and avoiding unnecessary pupil absence.
- We value our partnership with parents/carers and encourage involvement in all aspects of academy life including discipline and behaviour.

We aim to:

- Welcome parents into the academy and make them feel valued.
- Clearly define the role of parents in academy, matching interests and skills to activities.
- Develop good communication between home and school.
- Listen to parents' views and opinions when applying the academy behaviour procedure

CLASS TEACHERS

It is the responsibility of the class teacher to ensure that the academy rules are enforced in their class and that their class behaves in a responsible manner. The class teachers have high expectations of the children in terms of behaviour, and they strive to ensure that all children work to the best of their ability. The class teacher treats each child fairly and enforces the Golden Rules consistently. The teacher treats all children in their class with respect and understanding. Examples of the type of positive behaviour language which may be used can be found in Appendix 1.

It is the responsibility of the Behaviour Lead to record significant incidents of inappropriate behaviour, using the academy's recording system based on Arbor, and pass them to the Senior Leadership Team. Teachers have statutory authority to discipline pupils whose behaviour is unacceptable, who break the academy rules or who fail to follow a reasonable instruction (Section 91 of the Education and Inspections Act 2006). The power also applies to all paid staff with responsibility for pupils, such as associate professionals. Teachers can discipline pupils at any time the pupil is in academy or elsewhere under the charge of a teacher, including on academy visits. Teachers can also discipline pupils for misbehaviour outside the academy (see 'scope of the procedure' page 3 & 4). Teachers can confiscate pupils' property provided it is returned to the pupil or family. The class teacher liaises with external agencies, as necessary, to support and guide the progress of each child. The class teacher reports to parents about the progress of each child in their class, in line with the academy policy.

OTHER PROFESSIONALS

It is the responsibility of all staff to ensure that academy rules are enforced in their class, and that the class behaves in a responsible manner during lesson time. The staff at our academies have high expectations of the children in terms of behaviour, and they strive to ensure that all children work to the best of their ability. All associate professionals treat each child fairly, enforces the Golden Rules consistently and treat all children in their group with respect and understanding. Support staff should report any significant incidents back to the class teacher.

BEHAVIOUR PROCEDURE

At Stoke Damerel Primary Academy, discipline is recognised to be a collective responsibility between parents, staff, Local Governing Body, children and other agencies involved with academy. It is vital that the behaviour procedure and Trust policy is clear, that it is well understood by staff, parents and pupils and that it is consistently applied.

GOLDEN RULES

At Stoke Damerel Primary Academy, we believe that the principles outlined above can be interpreted within the framework of the 'Golden Rules'. These 6 rules set the basic principles by which the academy believes its children should abide:

- We are gentle: We don't hurt others
- We are kind and helpful: we don't hurt anybody's feelings
- We listen: We don't interrupt
- We are honest: We don't cover up the truth
- We work hard: We don't waste our own or other's time
- We look after property: We don't waste or damage things

These rules are given high status throughout and form the basis of assemblies and class PSHE lessons. The rules are displayed prominently in every classroom and in shared areas. It is made clear to children where they have followed or failed to follow the rules. In order to interpret these rules, staff and pupils have rights and responsibilities which must be upheld if the community is to work together effectively.

RIGHTS	RESPONSIBILITIES
To be safe To feel safe To have opinions respected To be heard To be treated as individuals To learn/develop professionally To have gifts/talents recognised To be believed/trusted Physical comfort	Behave appropriately/model behaviour to keep a safe environment To treat others with respect To listen To accept that everyone is different To take responsibility for own learning/Prof dev To recognise the strengths and talents of all To be truthful/honest Care for others

EXPECTATIONS

There is an expectation that all members of the academy community will exhibit certain standards of behaviour. Pupils are expected to show good manners towards staff and each other and treat all staff with respect. When these rules are abided by, students will receive rewards, these are outlined below:

REWARD	PURPOSE	EXAMPLES OF USE
Dojos Individual points. Certificates awarded in 50 dojo increments Learning behaviour noted – 1pt Silver on behaviour chart – 3pts Gold on behaviour chart – 5pts + team points + ticket home	Students earn Dojo points for positive behaviour choices and academic achievement	Showing good choices linked to the Golden Rules
5 minutes extra playtime Exemplary, whole class performance – lining up silently, sitting in assembly will result in 5 minutes extra play time ticket being given.	To maintain working together as a class Reward exceptional collaborative behaviours around school	Lining up silently and respectfully at playtime Entering rooms silently – assembly
Playtime rewards Reward tickets can be given during playtime and lunchtime for exemplary behaviour.	Pupils will be given a reward ticket by the adult working with them, this will allow them to move their name up one level on the behaviour chart in the classroom	Respect Kindness to others
Golden Ticket Home. Given by the class teacher. Child gets a golden ticket to take home and share with parents/carers	Reward consistent good work/behaviour When a student works towards Gold on the class chart.	Good pieces of work Good behaviour for an individual

CLASS BEHAVIOUR CHART

All students begin each day on the green section of the class board. Positive behaviours and a focus on the five learning behaviours will result in students moving onto the silver or gold sections. Ending the day on the silver section will result in 3 Dojo points. Ending the day on the gold section will result in the student receiving 5 Dojo points and a golden ticket sent home. See Appendix 2.

SANCTIONS

While there is an expectation that for the vast majority of the time children should achieve the highest standards of behaviour, occasionally children will inevitably fail to meet the standards which are expected of them.

Those students who do fail to meet the standards expected after verbal warnings will move to the yellow section of the class board, this will mean that they have a warning regarding the choices that they are making – they will spend 5 minutes in another classroom before rejoining their class.

Continued disruptive or negative behaviour choices will move into the red section and will result in spending some time in reflection, this will allow the student to have a reflective conversation with an adult regarding the choices that have led them to spending part of their lunchtime in reflection. A letter/email will also be sent to the student's parent/carer informing them of the sanction. (see Appendix 3)

Three reflections within the period of half a term will result in a formal letter being sent home to parents (see Appendix 4 – 3 reflections letter to parents). A meeting with parents will be held at this stage to outline the concerns and explain how any future instances of reflection will be dealt with.

Following the letter to parents for 3 reflections, if there is a further instance of reflection a 'report card' will be issued. During the 3 days on report, the child's behaviour will be monitored each session, they will play separately from their classmates, and they will be unable to attend school trips. Occasionally, a child may be 'fast tracked' to a letter home or being placed on report if their behaviour is particularly extreme.

Once a child has completed their report card, if there are further instances of concerning behaviour, a member of the Senior Leadership Team will meet with parents to discuss next steps. These will be chosen based on the needs of the child in question, and may include a further period on report, moving the child onto a Behaviour Support Plan, temporary withdrawal from class and/or making referrals to outside agencies. Where a child is withdrawn from class, they will continue to complete their class work under the supervision of an appropriate adult in a different room.

Appendix 6 (Behaviour management flowchart) provides a quick reference of these stages of the behaviour procedure. Bullying, Racist and Homophobic incidents are reported to the relevant phase leader and recorded. (see Appendix 5). Incidents of cyber-bullying are also recorded and addressed within the trust behaviour policy. A meeting with the phase leader, child and parent will be organised to discuss the incident. A number of other strategies may be adopted which run alongside this framework. These help pupils to consider their behaviour and to be aware of the further consequences of continued misbehaviour.

- ◆ discussion of reasons for misbehaving and reminder of what is appropriate
- ◆ being moved within classroom
- ◆ discussion with parents
- ◆ agreeing a behaviour support programme which is monitored by the teacher
- ◆ use of egg-timers to help children self-monitor speed of work, or concentration time
- ◆ circle time with PSHE lessons
- ◆ bubble time with the teacher or phase leader

Children requiring more support

Our rules, rewards and consequences work for the majority of children for most of the time, helping them to develop good attitudes and to keep to acceptable standards of behaviour. In rare instances, a child may have barriers that can make it harder for them to meet the expectations for behaviour all of the time. These barriers can place a child beyond the reach of our whole school Behaviour approach. In these cases, the class teacher will work alongside the phase leader and/or the SENDCo to devise an adapted behaviour approach that meets the needs of the individual child.

Exclusions

If, for any reason, a child has not been able to respond when we put these policies into practice, we do have to use the ultimate sanction of excluding a child from school for a period of time. We see this as very much a last resort, used rarely (see exclusions policy).

A child can be excluded if their behaviour:

- threatens the safety of others (including an assault on an adult or child in the school)
- is causing serious disruption to school life
- is a serious case of disobedience to a responsible adult in school
- has broken the school's behaviour expectations persistently over an extended period with no sign of improvement.

Whenever possible, parents and children will be warned in advance that exclusion from school could be a possibility for them. We know that exclusion from school may cause inconvenience for parents but we do not see this as a measure designed to punish parents. The purpose is to help the child realise the serious nature of their misbehaviour, and to remind the child concerned and all the other children that some kinds of behaviour are totally unacceptable in school. Excluded children will always be given work to do at home. When excluded pupils return to school, we treat this as a 'fresh start' laying out a plan of further action and supporting with parents as part of a reintegration meeting, and hope that the lesson has been learnt.

If behaviour persists despite all our efforts, and after a series of fixed term exclusions, the pupil could be permanently excluded.

The decision on whether to exclude either for a fixed term, or permanently, is made by the Headteacher and in her absence, the Deputy Headteacher.

- What do we need to remember here?
- I know you can...
- Which part didn't I explain well enough?
- That's right, isn't it?
- Lots of people get mixed up on this bit.
- I'm sorry, I should have made it clearer.
- OK, so you haven't quite mastered it yet.
- Up to now this bit has proved a little tricky.
- You will remember ...
- Your choice / it's up to you / you decide.

Dear _____,

I am writing to inform you that, due to poor behaviour, _____ has been sent to reflection 3 times within a half term.

The reasons for their reflections are as follows:

-
-

Your child is aware that another reflection will result in them being put on report for three days. This means that their behaviour will be closely monitored throughout the day and they will have to play separately from their year group. In addition, children are not allowed to attend school visits when on report.

I would be grateful if you could speak to _____ about their behaviour.

If you wish to discuss this further please do not hesitate to make an appointment with myself or your child's teacher.

Yours sincerely,

Appendix 5– Preventing Bullying

What Is Bullying?

Bullying is the repeated use of physical, verbal and non verbal aggression with the intention of physically or emotionally hurting another person. Bullying results in pain and distress to the victim.

Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence
- Racist racial taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic because of, or focussing on the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumours, teasing

To separate bullying from disagreements and disputes we teach and use the acronym **STOP** to define bullying.

Several

Times

On

Purpose

Why is it important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

Schools have a responsibility to respond promptly and effectively to issues of bullying.

Signs and Symptoms

A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child:

- is frightened of walking to or from school
- doesn't want to go on the school / public bus
- begs to be driven to school
- changes their usual routine
- is unwilling to go to school (school phobic)
- begins truanting
- becomes withdrawn anxious, or lacking in confidence
- starts stammering
- attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- feels ill in the morning
- begins to do poorly in school work
- comes home with clothes torn or books damaged
- has possessions go "missing"
- asks for money or starts stealing money (to pay bully)
- has dinner or other monies continually "lost"
- has unexplained cuts or bruises
- comes home starving (money / lunch has been stolen)
- becomes aggressive, disruptive or unreasonable
- is bullying other children or siblings
- stops eating

- is frightened to say what's wrong
- gives improbable excuses for any of the above

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated

Procedures

1. Report bullying incidents to staff, staff member collects information from the child/ parent.
2. In cases of bullying, (defined above) the incidents will be recorded by staff
3. In cases of bullying, parents of the victim and bully will be informed and will be asked to come in to a meeting to discuss the problem
4. If necessary and appropriate, police will be consulted
5. The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly
6. An attempt will be made to help the bully (bullies) change their behaviour

Outcomes

1. The bully (bullies) may be asked to genuinely apologise. Other consequences may take place.
2. A bullying plan can be put in place and communicated to all parties
3. In serious cases, fixed term or even permanent exclusion will be considered
4. After the incident / incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.

Appendix 6 – BEHAVIOUR MANAGEMENT FLOW CHART

Behaviour

Behaviour	
Minor- Class Based	Moderate/Severe- SLT
<ul style="list-style-type: none"> -Shouting/calling out -Tapping/Banging Tables -Refusal to follow adult instructions -Snatching -Verbal insult -Inappropriate physicality (Low level e.g. pushing, grabbing, rough play) -Not moving around the site safely -Goading/Taunting 	<ul style="list-style-type: none"> - Failure to alter behaviour choices despite warnings -Persistently disrupting the learning of others, despite warnings - Discriminatory/Racial Insults - Inappropriate physicality (Moderate/Severe) - Deliberately damaging school property - Repeated failure to follow adult instructions despite classroom sanctions and time to regulate, if needed -Absconding -Stealing

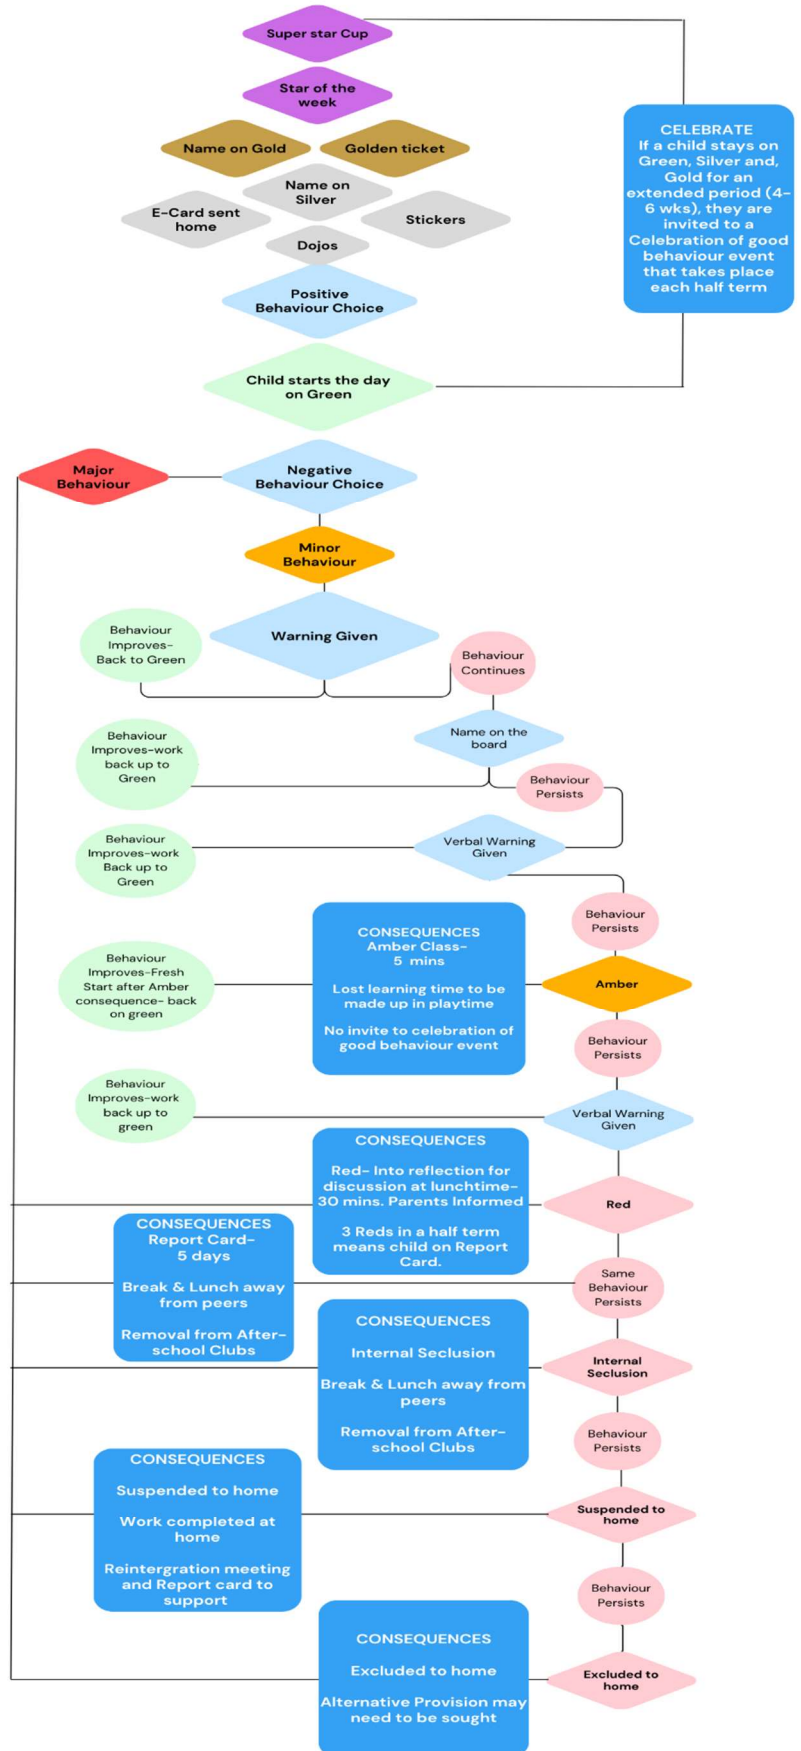

Our aim is for every child to be feel recognised for the positive contributions they make in our school community. We always seek to praise, promote and encourage children to follow the golden rules.

At times, and for many reasons, some children are unable to follow the golden rules. When this happens, adults seek to support the child as much as possible within the classroom. If this is not possible, adults may need to involve wider support to collaborate to support a child.

At every stage of this process adults will seek to understand the causes, triggers and other factors that may have impacted a child's behaviour. Adults will always seek to support a child to talk through what is happening for them and collaborate to find supports to prevent future difficulties.

At times, in order for the learning to continue for the majority, a child may need to be to take time outside of the classroom to reflect with a trusted adult.

Kind, Respectful, Calm

Appendix 2: Removal from the Classroom

- 1 Removal of a pupil from the classroom is a formal consequence imposed for serious disciplinary reasons, which allows for the continuation of the pupil's education in a supervised setting. The education provided may differ from that provided in the mainstream classroom but will still be meaningful for the pupil.
- 2 Removal from the classroom will only be used for the following reasons:
 - to maintain the safety of all pupils and to restore stability following an unreasonably high level of disruption;
 - to enable disruptive pupils to be taken to a place where education can be continued in a managed environment; and
 - to allow the pupil to regain calm in a safe space
- 3 The Academy's arrangements for removal from the classroom are that any child will be removed for the minimum amount of time required. The decision to do so will be undertaken by the Headteacher. Any child removed will spend time in either the Headteacher's office or the Deputy Headteacher/SENDCo office and will be fully supported for the entire time working on the curriculum linked directly to their class. There will be further work provided to encourage reflection and understanding of the school ethos and expectations/rules. Regular breaks will be provided with opportunities to go outside.
- 4 It will be the responsibility of the Headteacher to maintain overall strategic oversight of the school's arrangements of any removals of children,
- 5 The Academy will collect, monitor and analyse the data on the removal of pupils from the classroom in order to interrogate its use and effectiveness.
6. When dealing with the removal of a pupil from the classroom each case will be dealt with on its own individual facts and circumstances. The Headteacher and teachers will:
 - consider whether any assessment of underlying factors of disruptive behaviour is needed;
 - inform parents of the removal from the classroom on the same day;
 - facilitate reflection by the pupil on the behaviour that led to their removal from the classroom and what they can do to improve and avoid such behaviour in the future;
 - ensure that pupils are never locked in the room of their removal except in limited exceptional situations.
 - if a pupil has a social worker, including if they have a Child in Need plan, a Child Protection plan or are looked-after, notify their social worker. If the pupil is looked-after, ensure their Personal Education Plan is appropriately reviewed and amended and notify their Virtual School Head.

Appendix 3: Rewards and Consequences

1. Introduction

- 1.1 Examples of the rewards and consequence the Academy ordinarily uses are set out in the paragraphs below. These are not, however, exhaustive lists, and other rewards and consequences may be used insofar as they comply with good education practice, and promote good behaviour and compliance with the Academy's Policies on behaviour.
- 1.2 Where particular types of good behaviour or misbehaviour are expressly referred to in this policy, these are not to be taken as an exhaustive list of all types of good behaviour or misbehaviour for which rewards can be given, and consequences imposed.
- 1.3 Where a particular reward or consequence is identified as the usual response to a specific type of good behaviour or misbehaviour, this will not prevent a different reward being given, or a different consequence imposed, where it is appropriate to do so.

2. Rewards

- Publicly praise children regularly for good work/behaviour
- Individual Dojo points for positive work and behaviour
- Celebration of Dojo Certificates in 50 dojo increments
- Golden Tickets sent home
- Gold and Silver stickers when a child is on silver and gold
- Extra playtime for collaborative work
- Star of the Week – selected by class teacher
- Super Star Cup winner – selected by staff for children (termly)
- Marking and feedback of positive comments
- Attendance Cup – class decision
- Pen Licences
- Top Table

3. Consequences

- 3.1 Taking disciplinary action and providing appropriate support are not mutually exclusive actions. Examples of this could be:
 - discussion of reasons for misbehaving and reminder of what is appropriate
 - being moved within classroom
 - discussion with parents
 - agreeing a behaviour support programme which is monitored by the teacher
 - use of egg-timers to help children self-monitor speed of work, or concentration time
 - circle time with PSHE lessons
 - bubble time with the teacher or phase leader
- 3.2 Examples of misconduct/misbehaviour:
 - repeated calling out
 - refusal to do as asked
 - bullying behaviours
 - throwing resources
 - being/saying unkind things

4. *Suspension and Permanent Exclusion from School*

4.1 Only the Headteacher has the power to impose a suspension or permanent exclusion from school. An 'Acting' Headteacher who has been formally appointed to this position while the Headteacher is on extended leave, or the post is vacant, will also have this power.

4.2 Suspension and permanent exclusion from school can take the form of:

- Suspension for a fixed term (including lunch time suspensions, which each count as half a day); or
- permanent exclusion.

4.3 Permanent exclusion from school will only be imposed for:

- a serious breach or breaches and / or persistent breaches of this policy; and
- where allowing the pupil to remain in school would seriously harm the education and / or welfare of the pupil and / or others (such as staff or pupils) in the school.

4.4 **The principles, guidance and procedure set out in the Exclusion Guidance will be followed at all times.**

This includes the statutory procedure for notifying parents, challenging the decision, and holding meetings / hearings, including the deadlines for these.

4.5 The Headteacher may cancel (ie withdraw) any suspension or permanent exclusion which has not yet been formally reviewed by the Governor's Discipline Committee at a meeting, including where additional information has been received from the parents, Virtual School Headteacher, Social Worker or other health or educational professional after the original decision was made.

Appendix 4: Investigations of Incidents and Alternative Action

1. *Investigations*

- 1.1 The Headteacher may investigate incidents which potentially give rise to a breach of the Academy's policies on behaviour and discipline, or he / she may appoint a member of staff (usually a member of the Senior Leadership Team) to carry out the investigation.
- 1.2 The investigation and any interviews or meetings which take place with pupils will be conducted fairly, in a way which is appropriate in a school environment, and without being formal or legalistic in nature.
- 1.3 The pupils involved will be interviewed as part of the investigation and given the opportunity to state their version of events. Where pupils are at risk of disciplinary action, they will usually be accompanied by a member of staff not involved in the incident or the investigation while they are interviewed.
- 1.4 Pupils who are clearly only witnesses and not at risk of disciplinary action may be interviewed without an additional member of staff being present.

- 1.5 Parents do *not* need to be notified in advance that interviews are taking place, and their consent is not required (although they may be invited to attend an interview in the case of potentially serious breaches, where the Academy deems it appropriate to do so).
- 1.6 The pupil will be asked to make a statement, and / or a written record of the interview will be made by the interviewing member of staff. Pupils will be asked to sign and date their statement or the written record of interview, confirming it to be true and accurate.
- 1.7 CCTV footage may be viewed and pupils' desks, lockers and / or personal belongings may be searched during the course of an investigation. See Appendix 6 of this policy for the Academy's policy on searching and confiscation.
- 1.8 It may sometimes be necessary to delay or suspend an investigation where external agencies such as the police or social services are involved and have recommended this. A decision to delay or suspend an investigation will take into account advice from appropriate external agencies, and will be subject to periodic review. In relation to alleged sexual violence or sexual harassment, the Academy will have regard to KCSIE and the Academy's designated safeguarding lead (or a deputy) will take a leading role on decisions.
- 1.9 Where the Headteacher has appointed a senior member of staff to investigate an incident which may result in formal exclusion from the Academy, the investigating member of staff will fully report the outcome of their investigation to the Headteacher to enable an informed decision to be made.

2. Removal from the Classroom / Suspension Pending Further Investigation / Enquiries

- 2.1 Where the incident is serious and / or complex and it has not been possible to complete the full investigation and / or conduct all enquiries on the day that the incident occurred or was brought to the attention of the Academy, the pupil may be removed from the classroom while the investigation continues and / or enquiries are made (for example, consideration of a managed move). During this time the pupil is entitled to receive the equivalent of full-time education provision. The period of removal from the classroom should be taken into account by the Headteacher when determining the final consequence.
- 2.2 Alternatively, where it is not appropriate for the pupil to remain on the Academy's premises while the investigation continues / enquiries are made, the pupil may be formally suspended from the Academy for a fixed number of days pending further investigation / enquiries. The length of the suspension will be kept to the minimum required to complete the further investigation / enquiries.
- 2.3 Before a suspension pending further investigation / enquiries is imposed, the Headteacher must be satisfied that a prima facie case has already been established in relation to the pupil's involvement in the incident to an extent that merits a suspension of at least that length.
- 2.4 A suspension pending further investigation / enquiries is still a serious disciplinary measure and the statutory procedure set out in the Exclusion Guidance will be followed (including sending a notification letter to the Parents containing all mandatory information).

- 2.5 Once the investigation / enquiries are complete, the Headteacher will be in a position to make a final decision. This may include imposing a further suspension or permanent exclusion to run consecutively (i.e. back to back, without a break in between) with the original suspension pending further investigation / enquiries. A second suspension notification letter containing all mandatory information will be sent to the Parents confirming the further suspension or permanent exclusion.

3. Decision

- 3.1 Once the investigation has concluded, all of the information gathered will be considered and a decision will be made as to what facts have been established to be true, to the civil standard of proof (i.e. on a balance of probabilities, or more likely than not).
- 3.2 Pupils' behaviour and discipline records will be taken into account, together with the pupils' background, and any special educational needs and / or disabilities they may have. The Academy will follow its special educational needs and learning difficulties policy and Equality policy, where these are relevant.
- 3.3 All disciplinary consequences imposed will be a fair, reasonable and proportionate response to the misbehaviour involved, taking into account the pupil's own account, aggravating features, mitigation, background, and special educational needs and / or disabilities.
- 3.4 Disciplinary consequences will be recorded in the pupil's behaviour and discipline record.
- 3.5 The Academy will usually notify the Parents of disciplinary consequences imposed and the reasons for them (parents must always be notified of removals from the classroom, suspension and permanent exclusions).

4. Off-site Directions

- 4.1 The Academy has the power to direct that a pupil be educated off-site with the aim of improving their future behaviour. It must **not** be used as a disciplinary consequence for misconduct.
- 4.2 The off-site direction may be to a Pupil Referral Unit (**PRU**), and Alternative Provision Academy, or another academy / school (or unit therein).
- 4.3 Parental consent is **not** required for an off-site direction, and pupils are expected to attend the other setting as directed. If they do not attend, their absence will be unauthorised and dealt with in the same way as it would if they failed to attend the Academy.
- 4.4 The arrangements for the off-site placement will be based on an understanding of the support the pupil needs in order to improve their behaviour, as well as any SEND or health needs the pupil has. It may be full-time, or part-time in combination with attendance at the Academy or another setting. The expectation is that the pupil will continue to receive full-time broad and balanced education.

- 4.5 A 'personalised plan for intervention' will be put in place, which sets out the objectives for the pupil's improvement and attainment, the timeframe involved, the arrangements for assessment and monitoring progress, and with a baseline of the pupil's current position against which to measure their progress.
- 4.6 The off-site placement will be regularly reviewed, and Parents will be involved in the review. The purpose of the review is to ensure that the off-site placement is achieving its objectives and that the pupil is benefitting from it.
- 4.7 During the period of an off-site direction by the Academy to another school / academy, the pupil must be dual registered which means that they will be registered at both the Academy and the school / academy to which the pupil is directed off-site.
- 4.8 The Academy will follow the Alternative Provision Guidance when exercising this power.

5. Managed Moves

- 5.1 A 'managed move' is used to initiate a process which leads to the permanent transfer of a pupil to another mainstream school / academy following a trial period. It is designed to give pupils who are **at risk of** permanent exclusion a fresh start in another school / academy without a permanent exclusion on their educational record.
- 5.2 As it is a proposed permanent transfer to another setting, parental consent is required, and Parents will be consulted when while this is being explored.
- 5.3 If a temporary move to another setting is needed with the aim of improving the pupil's behaviour, rather than as a trial period before a proposed permanent transfer to that setting, then off-site direction (as described above) must be used. An off-site direction can be made without parental consent.
- 5.4 A planned managed move will only happen when it is in the pupil's best interests.
- 5.5 During the trial period, the pupil will be dual registered at both the Academy and the new school / academy. If the managed move breaks down during the trial period, the new school / academy will terminate the trial period and delete the pupil's name from the register. The pupil will then return to the Academy.
- 5.6 For this reason, a managed move will not be appropriate following a serious breach and / or persistent breaches of the Behaviour Policy for which permanent exclusion is deemed by the Headteacher to be the only appropriate consequence, where the Academy would not be prepared to accept the pupil back at the Academy if the managed move broke down during a trial period.
- 5.7 The Academy will agree a fixed period for the trial period at the outset, after which the new school / academy will be expected to give permission to the Academy for the pupil's name to be deleted from the Academy's roll, at which time the transfer becomes permanent.

Appendix 5: Use of Reasonable Force

1. Any use of reasonable force will be in accordance with the DfE guidance [Use of reasonable force](#) (DfE, July 2013)
2. Reasonable force may be used to prevent a pupil from doing or continuing to do any of the following:
 - committing a criminal offence;
 - injuring themselves or others;
 - causing damage to property, including their own; or
 - engaging in any behaviour prejudicial to good order and discipline at the Academy or among any of its pupils, whether that behaviour occurs in a classroom or elsewhere
3. In these circumstances, force will be used for two main purposes: to control pupils or to restrain them. Reasonable force may be used, for example, to restrain a pupil at risk of harming themselves or another individual or to prevent a pupil leaving a classroom where allowing them to do so would risk their safety or lead to behaviour that disrupts the behaviour of others. Force is never used in any other way or and never as a form of consequence.
4. In addition, reasonable force may be used to conduct a search for certain "prohibited items" (see [Appendix 6](#) below).
5. In these circumstances, "reasonable" means using no more force than is needed.
6. In deciding whether reasonable force is required, the needs of individual pupils will be considered and reasonable adjustments will be made for pupils with special educational needs or disabilities. The Academy will establish proactive and positive behaviour support strategies for pupils with particular needs, in consultation with their Parents, to reduce the occurrence of challenging behaviour and the need to use reasonable force.
7. Where reasonable force is used by a member of staff, the Headteacher must be informed of the incident and it will be recorded in writing. The Parents will be informed about serious incidents involving the use of force. In the EYFS setting, the pupil's Parents will be informed about any use of force on the day of the incident or as soon as reasonably practicable. [See also the Academy's separate]

Appendix 6: Searching, Screening and Confiscation

1. All Academies have a general power to impose reasonable and proportionate disciplinary measures (Education and Inspections Act 2006). This enables a member of staff to confiscate, retain or dispose of a pupil's property as a disciplinary penalty where it is reasonable to do so.
2. The Academy's policy on searching and confiscation has regard to the DfE guidance **Searching, screening and confiscation: advice for schools** (DfE, July 2022).
3. **Prohibited Items**
 - 3.1 The following are 'prohibited items' by law under Section 550ZA (3) of the Education Act 1996 and Regulation 3 of the Schools (Specification and Disposal of Articles) Regulations (SI 2012 / 951):
 - Knives or weapons, alcohol, illegal drugs and stolen items;
 - Tobacco and cigarette papers, fireworks and pornographic images;
 - Any article that a member of staff reasonably suspects has been, or is likely to be used:
 - to commit an offence; or
 - to cause personal injury to, or damage to the property of, any person (including the pupil);and
 - 3.2 In addition to the above, the Academy has prohibited or restricted the use of the following items on the grounds that they are reasonably believed to be likely to cause harm or disruption:
 - mobile phones
 - hand-held electronic games;
 - other electronic devices
 - 3.3 Pupils must not have these items in their possession on the Academy's premises, or at any time when they are in the lawful charge and control of Academy staff (e.g. on educational visits).
 - 3.4 Pupils may be searched for any item which is prohibited or its use restricted by the Academy (as set out above) with their agreement (note that the Academy will never use force to search for these items: see paragraph 4.3 below).

4. Searching Pupils

- 4.1 Under common law, school staff have the power to search for any item if a pupil agrees. The member of staff undertaking the search should ensure the pupil understands the reason for the search and how it will be conducted so their agreement is informed.
- 4.2 When exercising these powers the school must consider the age and needs to pupils being searched or screened. This includes the individual needs or learning difficulties of pupils with Special Educational Needs (SEN) and making reasonable adjustments that may be required where a pupil has a disability.

- 4.3 If a pupil refuses to co-operate with a search for an item prohibited by law as listed in section 3.1 above, the member of staff should assess whether it is appropriate to use such force as is reasonable to conduct the search. Force will never be used to search for items that the Academy has prohibited, as set out in 3.4 above.
- 4.4 The decision to use reasonable force should be made on a case-by-case basis. Consideration will be given as to whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.
- 4.5 Where a pupil is not willing to co-operate with a search and is not deemed to have sufficient maturity or understanding of the situation, then a parent's co-operation will be sought.
- 4.6 If a pupil refuses to co-operate with a search for items that are **not** items prohibited by law as listed in section 3.1 above, disciplinary action may be taken in accordance with this policy.
- 4.7 Where a search is considered necessary, but does not need to be carried out urgently, the advice of the Headteacher/DSL and/or pastoral staff member will be sought. During this time the pupil should be supervised and kept away from other pupils.
- 4.8 Searches will be carried out on the School premises or, if elsewhere, where the member of staff has lawful control or charge of the pupil, for example on an educational visit or in training settings⁷.
- 4.9 If it is believed that a pupil has a prohibited item, it may be appropriate for a member of staff to carry out:
- search of outer clothing; and / or
 - search of the School property (e.g. pupils' lockers or desks, bed, studies or dormitories); and / or
 - search of personal property (e.g. bag or pencil case).
- 4.10 Staff will be the same sex as the pupil being searched and there will be a witness (also a staff member) who, if possible, will be the same sex as the pupil being searched. As a limited exception to this rule, staff can carry out a search of a pupil of the opposite sex and / or without a witness present, but only where staff reasonably believe that there is a risk that serious harm will be caused to a person if a search is not carried out as a matter of urgency and in the time available it is not reasonably practicable to summon another member of staff.
- 4.11 A pupil's possessions can only be searched in the presence of the pupil and another member of staff except where there is a risk that serious harm will be caused to a person if the search is not conducted immediately and where it is not reasonably practicable to summon another member of staff.
- 4.12 Where the Headteacher, or staff authorised by the Headteacher, find anything which they have reasonable grounds for suspecting is a prohibited item, they may seize, retain and dispose of that item in accordance with this policy. The staff member should also alert the designated safeguarding lead (DSL) or deputy and the pupil will be provided with a consequence in line with the school's Behaviour Policy to ensure consistency of approach.

5. Strip Searching

- 5.1 A strip search is a search involving the removal of more than outer clothing and can only be carried out on school premises by police officers under the Police and Criminal Evidence Act 1984 (PACE) Code A and in accordance with PACE Code C. More information is contained within the DfE advice to schools on Searching, Screening and Confiscation (July 2022).
- 5.2 While the decision to undertake a strip search itself and its conduct are police matters, school staff retain a duty of care to the pupil(s) involved and should advocate for pupil wellbeing at all times.
- 5.3 School staff will always consider whether introducing the potential for a strip search through police involvement is absolutely necessary and should always ensure that other appropriate, less invasive approaches have been exhausted.
- 5.4 In order to ensure a pupil's wellbeing, the school may wish to involve an appropriate adult as a matter of course during all searches conducted by police in school.
- 5.5 Except where there is an immediate risk of harm, parents will be informed before a strip search takes place, where reasonably possible. Parents will always be notified after a strip search has taken place.

6. After a Search

- 6.1 Whether or not any items have been found as a result of any search the school will consider whether the reasons for the search or outcome give cause to suspect whether a pupil is suffering or likely to suffer harm and whether any specific support is needed.
- 6.2 Where appropriate school staff will follow the school's child protection policy and procedures and speak to the designated safeguarding lead about possible pastoral support, early help intervention or a referral to children's social care.

7. Recording Searches

- 7.1 Any search by a member of staff for an item prohibited by law as listed in section 3.1 above and all searches conducted by police officers will be recorded in the school's safeguarding reporting system, including whether or not an item is found. This will allow the DSL or deputy to identify possible risks and initiate a safeguarding response if required.
- 7.2 Records of the search will include:
 - the date, time and location of the search;
 - which pupil was searched;
 - who conducted the search and any other adults or pupils present;
 - what was being searched for;
 - the reason for searching;
 - what items, if any, were found; and
 - what follow-up action was taken as a consequence of the search.

7.3 The school will analyse any data gathered to consider whether searching falls disproportionately on any group / or groups and whether any actions should be taken to prevent this.

8. *[- Screening*

8.1 The Academy may impose a requirement that pupils undergo screening for the detection of weapons.

8.2 Screening will take the form of a walk through or hand-held metal detector to scan all pupils for weapons before they enter the Academy premises.

8.3 If a pupil has a disability, the Academy will make any reasonable adjustments to the screening process as required.

8.4 If a pupil refuses to be screened, the Academy will consider why the pupil is not cooperating and will make an assessment as to whether it is necessary to conduct a search.

9. *Confiscation*

9.1 Under the Academy's general power to discipline, a member of staff may confiscate, retain or dispose of a pupil's property as a disciplinary penalty where it is reasonable to do so.

9.2 Confiscation of an item may take place following a lawful search, as set out above, or however the item is found if the member of staff considers it to be harmful or detrimental to Academy discipline.

10. *Searching Electronic Devices*

10.1 An electronic device such as a mobile phone or a tablet computer may be confiscated in appropriate circumstances in accordance with this policy. If there is good reason to suspect that the device has been, or could be used to cause harm, to disrupt teaching or breach the Academy's policies on behaviour, any data or files on the device may be searched and, where appropriate, data or files may be erased before the device is returned to its owner. Any search of an electronic device should be conducted in the presence of a member of the IT staff.

10.2 Any data or files will only be erased, if there is good reason to suspect that the data or files have been, or could be used to cause harm, to disrupt teaching or breach the Academy's policies on behaviour.

10.3 Subject to 8.4 and the requirements set out in KCSIE 2022, if inappropriate material is found on an electronic device, the member of staff may delete the material, retain it as evidence of a breach of Academy discipline or criminal offence or hand it over to the police if the material is suspected to be evidence relevant to an offence

10.4 Staff should consider the appropriate safeguarding response if they find images, data or files on an electronic device that they reasonably suspect will put a person at risk.

- 10.5 Staff should not view or forward illegal images of a child. When viewing an image is unavoidable staff should follow the Academy's policy on sexting as set out in the Safeguarding and child protection policy / consult the advice set out in the [Searching screening and confiscation advice \(for schools\)](#) and [UKCIS sexting advice](#).
- 10.6 The School will comply with data protection law in relation to any search of an electronic device.

11. Disposal of Confiscated Items

- 11.1 **Alcohol:** Alcohol which has been confiscated will be destroyed.
- 11.2 **Controlled drugs:** Controlled drugs will usually be delivered to the police as soon as possible. In exceptional circumstances and at the discretion of the Headteacher or authorised member of staff, the drugs may be destroyed without the involvement of the police if there is a good reason to do so. All relevant circumstances will be taken into account and staff will use professional judgement to determine whether the items can be safely disposed of. They will not be returned to the pupil.
- 11.3 **Other substances:** Substances which are not believed to be controlled drugs but which are harmful or detrimental to good order and discipline (for example "legal highs") may be confiscated and destroyed. Where it is not clear whether or not the substance seized is a controlled drug, it will be treated as such and disposed of as above.
- 11.4 **Stolen items:** Stolen items will usually be delivered to the police as soon as possible. However, if, in the opinion of the Headteacher or authorised member of staff there is good reason to do so, stolen items may be returned to the owner without the involvement of the police. In taking into account the relevant circumstances, the member of staff should consider: the value of the item; whether the item is banned by the school; whether retraining or returning the item may place any person at risk of harm; and whether the item can be disposed of safely.
- 11.5 **Tobacco or cigarette papers:** Tobacco or cigarette papers will be destroyed.
- 11.6 **Fireworks:** Fireworks will not be returned to the pupil. They will be disposed of safely at the discretion of the Headteacher or other authorised member of staff which may include donation to an appropriate charity.
- 11.7 **Pornographic images:** Pornographic images involving children or images that constitute "extreme pornography" under section 63 of the Criminal Justice and Immigration Act 2008 will be handed to the police as soon as practicable. As possession of such images may indicate that the pupil has been abused, the Designated Safeguarding Lead will also be notified and will decide whether to make a referral to children's social care.
- 11.8 Other pornographic images will also be discussed with the Designated Safeguarding Lead. The images may then be passed to children's social care for consideration of any further action. If no action is to be taken by the local authority the images will be erased after a note has been made for disciplinary purposes, confirming the nature of the material.
- 11.9 **Article used to commit an offence or to cause personal injury or damage to property:** such as the police, returned to the owner, retained or disposed of. In taking into account all relevant circumstances the member of staff should consider: whether it is safe to dispose of the item; and when it is safe to return the item.

- 11.10 **Weapons or items which are evidence of an offence:** Such items will be passed to the police as soon as possible.
- 11.11 **An item prohibited by the Academy:** Such items may, at the discretion of the Headteacher or authorised member of staff taking all the circumstances into account, be returned to its owner, retained or disposed of. In taking into account all relevant circumstances, the member of staff should consider: the value of the item; whether it is appropriate to return the item to the pupil or parent; and whether the item is likely to disrupt learning or the calm, safe and supportive environment of the school.
- 11.12 Where staff confiscate a mobile phone that has been used to disrupt teaching, the phone will be kept safely until the end of the school day when it can be claimed by its owner, unless the Headteacher considers it might be necessary to retain the device for evidence in disciplinary proceedings in accordance with 11.13 below. If a pupil persists in using a mobile phone in breach of the restriction, the phone will be confiscated and must be collected by a Parent.
- 11.13 **Electronic devices:** If it is found that a mobile phone, laptop or tablet computer or any other electronic device has been used to cause harm, disrupt teaching or breach the Academy's policies on behaviour, including carrying out cyberbullying, the device will be confiscated and may be used as evidence in disciplinary proceedings. Once the proceedings have been concluded the device must be collected by a Parent and the pupil may be prohibited from bringing such a device onto Academy premises or on educational visits. In serious cases, the device may be handed to the police for investigation.

12. *Communication with Parents*

- 12.1 There is no legal requirement for the Academy to inform Parents before a search for prohibited items takes place or to seek their consent to search their child and it will not generally be practicable to do so.
- 12.2 Parents should always be informed of any search for a 'prohibited item' listed above that has taken place and the outcome of the search as soon as practicable. A member of staff should inform parents of what, if anything, has been confiscated and the resulting action the school has taken, including any consequences applied.
- 12.3 In some circumstances it might also be necessary to inform parents of a search for an item banned by the school policy.
- 12.4 We will keep a record of all searches carried out, in accordance with paragraph 7 above, which can be inspected by the Parents of the pupil(s) involved subject to any restrictions under the Data Protection Act 2018.
- 12.5 Complaints about searching or confiscation will be dealt with through the Academy's published Complaints policy and procedures.
- 12.6 The Academy will take reasonable care of any items confiscated from pupils. However, unless negligent or guilty of some other wrongdoing causing injury, loss or damage, the Academy does not accept responsibility for loss or damage to property.
